

2Feb72

Major General Robert E. Pursley

GACarver, Jr.

1. Attached is an additional copy of the 14 December memorandum you requested.

2. Secretary Seamans said at lunch yesterday (1 February) that you now had your second star. Since he should be a reliable source in such matters, I will take this as an accurate report. Again, heartiest congratulations.

George A. Carver, Jr.

25X1 Special Assistant for Vietnamese Affairs
